

## Make the Seal

If the foam rubber seal on top of the OH-58A/C oil cooler has had it,

Kiowa mechs, you can't get one by ordering from the parts pub. The Source, Maintenance and Recoverability (SMR) code says you have to make it.

You'll find seal dimensions and the material to make it in Figs D190, D191, and D192 of TM 55-1520-228-23.

Also, Fig 52, Items 33A, 33B, and 33C in TM 55-1520-228-23P, is being corrected to show the right location for the seal.
