

New Filter Here!

If you OH-58 mechs have the improved fuel filter in a T63 engine fuel control, follow the new cleaning info in Para 6-10 of TM 55-2840-231-23.

If the filter needs replacing, tho, get one with NSN 2915-01-040-1138. Only the old filter, NSN 2915-00-924-7795, is listed as Item 129 in Fig 16B of TM 55-2840-231-23P.
