

CABIN. LANDING GEAR

HERE WE'RE TALKING ABOUT YOUR QUARTERS IN THE SKY... DON'T MISS ANY CHECKPOINT!

CABIN EXTERIOR —
Paint scratched.

FUEL SAMPLE —
Water in the fuel.

LANDING GEAR — Screws missing from skid tubes, saddle, shoes. (All hardware should be present 'n' accounted for during your inspection.)

THAT'S A BIRD ?!

IT MUST LAY FUNNY EGGS!

FM ANTENNA NO. 2 —
Antenna on cabin roof loose in mount.

CREW, PASSENGER DOORS —
No positive latching of doors. Windows dirty. Weather stripping broken.

CABIN INTERIOR — Dirty. Tools and personal equipment not stowed. Soundproofing dirty, loose.

IT TAKES JUST MINUTES TO LOOK, POKE AND WIGGLE!

THAT'S WHAT GETS ME INTO TROUBLE!
